The Sunreef 80 is an all-around sailing leisure yacht ideal for exclusive getaways, charter and transoceanic adventures. This model boasts a combination of exterior and interior areas easily flowing into one another. The saloon has an outstanding lounging space with a panoramic view and endless layout possibilities opening on the bow terrace and cockpit.

The bow benefits from a cozy lounge, well shielded from sun and wind. All the areas combined form a universal, open environment where flexibility and freedom reign.

While housing the main helm, the 54m² flybridge is definitely dedicated to leisure with more than enough space for movable furniture, fully equipped wet bar, a barbecue and large sun pads when Jet ski removed out in water. The hulls provide impressive volumes to set up a custom layout including airy, luxurious guest cabins and an opulent master suite with a walk-in dressing, desk, sofa, retractable TV and an immense bathroom. A perfect setting to unwind and relax after a long day in the sun.
